--O--

ORDER:-

Government of Andhra Pradesh is determined to strengthen the medical care at tertiary level under Director of Medical Education, Andhra Pradesh. In this direction, several measures are being taken. Adding rare super speciality medical services in tertiary hospitals, is an important initiative following Public-Private Partnership guidelines.

2. Government General Hospital, Guntur is one of the oldest and prestigious hospitals and attached to Government Medical College, Guntur. Though there is a Department of Cardiothoracic Surgery in Government Medical College / Government General Hospital, Guntur, Open Heart Surgical procedures are not being performed. Government General Hospital, Guntur will be in focus area for Health care after bifurcation of the State. Hence, the Government of Andhra Pradesh decided to strengthen the department of C.T Surgery at Government General Hospital, Guntur, to have open Heart surgery facilities to the needy.

3. Sahrudaya Health, Medical and Educational Trust (www.sahrudaya.com) which was established in 2007 offered to provide their specialist services in the field of Open Heart Surgery to support Government General Hospital / Guntur Medical College, Guntur. The Trust is willing to provide the services through Dr. Gokhale, C.T. Associates which has a rich experience of doing more than 10,000 open heart surgeries so far. The team claims to its credit of performing first Heart transplant and first lung transplant in the State.

4. Dr. Alla Gopalakrishna Gokhale, Chairman of Sahrudaya Health, Medical and Educational Trust, as an alma mater and with a social commitment is keen to establish open heart surgery programme at Guntur Medical College / Government General Hospital, Guntur through Sahrudaya Health, Medical and Educational Trust.
